Dear Mr. McDougall:

As requested in our telephone conversation this morning, please find enclosed our final inspection memo and formal release letter for Energy Fuels Nuclear's Repete/Lee Mine located in San Juan County, Utah.

As noted in the letter, the surety was released on June 17, 1996. At that time, we retired the Division file for this project.

Please contact me if you have any other questions. I hope this information will allow you to close your file for this project.

Sincerely,
